

Lab 03

- Practice Presentation Graphics (Microsoft PowerPoint)
 - Assume you have volunteered for the Animal Rescue Foundation, and have been asked to create a powerful and persuasive presentation to encourage other members from your community to volunteer.

Document Theme

To make your presentation more professional and eye-catching, you select a **document theme**, built-in sets of colors, fonts, and effects that can be quickly applied to your entire presentation.

How Does the Foundation Help?

- ▶ Provides temporary homes
- ▶ Provides obedience training
- ▶ Provides veterinary care
- ▶ Finds loving permanent homes

Animal Rescue Foundation

Who Are Animal Angels?

- ▶ Believe unwanted animals deserve a home
- ▶ Believe you can teach an old dog new tricks
- ▶ Believe you can retrain animals to be lovable

Templates

Templates provide an excellent way to quickly create a presentation by providing predesigned styles and layouts as well as suggested content based on the type of template you select.

Animation

To provide additional emphasis to items or show the information on a slide in phases, you add **animation** to text and objects. Finally, you use slide **transition** effects to animate the transition from one slide to the next.
